Whisky, and specifically single malts, are a particular passion for Alex Magell, one of our directors, passed to him by his father, and which he now enjoys sharing with his sons. The Smugglers bar at Stocks Hotel has given Alex the chance to expand the collection that was previously filling up cupboards at home, and more enjoyably to share this passion with our friends and guests. We apologise if any of the whiskies listed here are not available, but they are often bottles which Alex finds and as such they are not always easy to replace when finished. Equally please ask if there are any other recent additions which have not yet made it onto this list. We do hope you enjoy our collection which seems to be ever growing and we leave you with the words of Alex's favourite whisky quote, from the famous Whisky Speech given in 1952 by Noah "Soggy" Sweat, a Mississippi state senator:

".....if when you say whisky you mean the oil of conversation, the philosophic wine, the ale that is consumed when good fellows get together, that puts a song in their hearts and laughter on their lips, and the warm glow of contentment in their eyes; if you mean Christmas cheer; if you mean the stimulating drink that puts the spring in the old gentleman's step on a frosty, crispy morning; if you mean the drink which enables a man to magnify his joy, and his happiness, and to forget, if only for a little while, life's great tragedies, and heartaches, and sorrows; if you mean that drink ..... then certainly I am for it.

"With a cigarette in one hand and a glass of  
whiskey in the other."

**Ava Gardner**

"Too much of anything is bad, but too much  
good whisky  
is barely enough."

**Mark Twain**

"I wish to live to 150 years old, but the day  
I die, I wish it to be a good gulp of hot  
whiskey at bedtime - it's not very  
scientific, but it works"

**Alexander Fleming**

"I'm on a whisky diet.  
I've lost three days already"

**Tommy Cooper**

"What whiskey will not cure, there is no cure  
for"

**Irish proverb**
