

# CHAMPAGNE BOONEN - MEUNIER FILS

AT STOCKS HOTEL

## THE BOONEN-MEUNIER CHAMPAGNE STORY

Boonen-Meunier Champagne started when Lucien Meunier began marketing the Champagne from his 8-hectare estate in the 1930s and it is still run by his great-grandson, Francois Boonen, assisted by Julien Boonen who will hopefully take on the estate in the future.

In 1999 Francis Boonen took the step of developing the production techniques to meet all of the requirements of "Champagne", thus the acronym R-M at the bottom of the labels, which guarantees a superior product made entirely on this single farm located in the Marne Valley in the heart of Champagne.

In 2017 we discovered Boonen-Meunier at a small tasting whilst in France and have been thrilled to work with a fellow small family run business to bring this exceptional Champagne to our guests at Stocks Hotel in Sark.
