The Whisky Selection

Whisky—especially single malts—is more than just a passion for Alex Magell, one of our directors. It’s a legacy handed down from his father, and one he’s eager to pass on to his sons.

The Smugglers Bar at Stocks Hotel has provided Alex with the perfect space to expand his whisky collection, which once filled his home cupboards. More importantly, it offers him the joy of sharing his passion with friends and guests alike.

We do apologise if any of the whiskies listed are unavailable. Many of them are unique finds Alex has discovered during his travels, and once they're gone, they can be difficult to replace.

We sincerely hope you enjoy our ever-growing collection, and we leave you with the words of Alex’s favourite whisky quote, from the famous Whisky Speech given in 1952 by Noah “Soggy” Sweat, a Mississippi state senator:

“.....if when you say whisky you mean the oil of conversation, the philosophic wine, the ale that is consumed when good fellows get together, that puts a song in their hearts and laughter on their lips, and the warm glow of contentment in their eyes; if you mean Christmas cheer; if you mean the stimulating drink that puts the spring in the old gentleman's step on a frosty, crispy morning; if you mean the drink which enables a man to magnify his joy, and his happiness, and to forget, if only for a little while, life's great tragedies, and heartaches, and sorrows; if you mean that drink then certainly I am for it”
